Stiky™ Fly Traps *for Windows*

patent# 5022179

- ✦ Completely non toxic, odorless and easy to use.
- ✦ Flies go to windows and get stuck on traps.
- ✦ Flies on trap attract other flies.
- ✦ Dispose of biodegradable trap when full.

Easy to use and suitable for fly control both at home or business. Adhesive tab affixes the trap to the window. Front visor discreetly obscures caught flies and folds closed for sanitary disposal. Package includes five Stiky™ Fly Traps.
